your tax dollars can
 make a difference to
 your community!

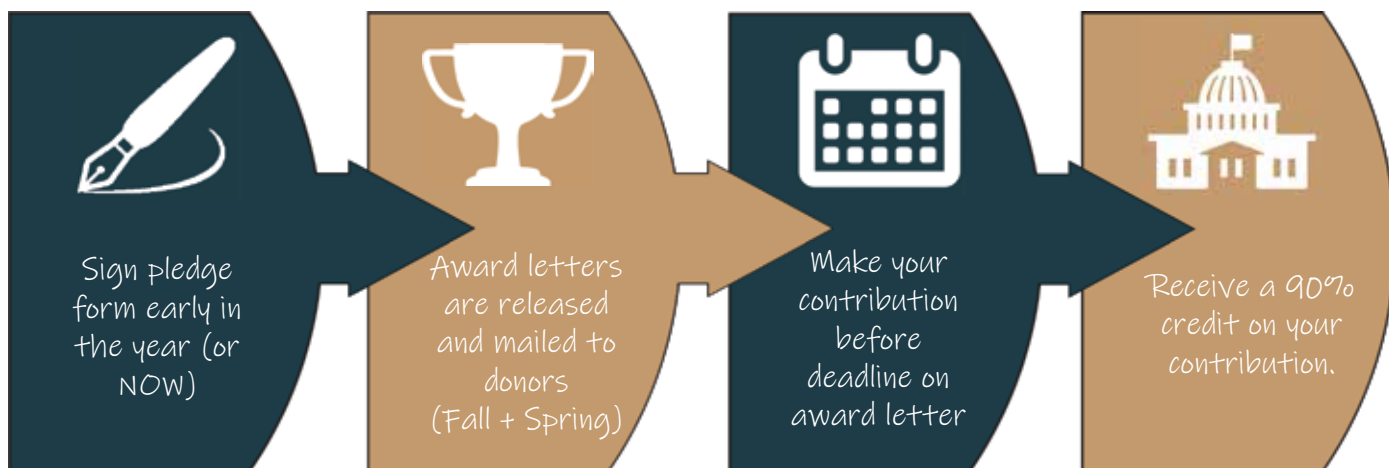

THE HISTORY

Pennsylvania launched the EITC Tax Credit program in 2001 to allow a small number of taxpayers to pay their state income taxes to local private schools. These scholarships help low- and mid-income students attend the school of their choice.

The Basics:

- EITC tax credits through The Central Pennsylvania Scholarship Fund (CPSF) are worth 90% of the taxpayer's bill.
- EITC tax credits are awarded on a first-come, first-serve basis, so being early is critical.
- If you pay at least \$3,500 in annual PA state income taxes, you can pledge your tax dollars through EITC.

You can choose how your tax dollars are spent!
